**To: Corporate Security, Risk Managers, Loss Control Specialists, Financial
Fraud Investigators and Liability Insurance providers**

From: Susan Aguilar, CEO of WeTip Anonymous Crime Hotlines

On Friday, February 2, 2007, WeTip will be presenting its bi-annual Ventura County Corporate and Community Action Training Seminar. This specialized seminar will address the major topics of concern to your companies and communities. This seminar will be presented from 9:00 a.m. - 12:30 p.m. at the Crown Plaza Ventura Beach, located at 450 Harbor Blvd, Ventura, 93001. A Brunch and coffee will be served at 10:30 a.m. For directions, please call Gaby Aguilar at WeTip at 909 987-5005 Ext 242.

This seminar is designed to introduce the WeTip program to members of your corporation that deal with risk and loss that is caused by criminal or threatening circumstances. WeTip offers a viable service to combat crime, violence and property losses by providing an investigative resource. WeTip is a safe, reliable vehicle for those who would not otherwise provide crime information to the police. Crime is a national issue that impacts the taxpayer and the public sector. Tracking down wanted criminals is always a social and economical burden. This program is designed to motivate employees and citizens throughout the community to get involved by providing a way for them to give the information they have without fear of retaliation. WeTip has been serving the United States for over 35 years, providing a way for anyone to call and give anonymous crime information on major crime issues. WeTip also utilizes a multi-media CD and the WeTip website to inform the public about the anonymous hotlines and the WeTip program. WeTip is now able to provide a way for anyone to give crime information on the WeTip website (www.wetip.com), while remaining completely anonymous.

This seminar is sponsored in cooperation with the Ventura County Schools Self-Funding authority and the breakfast is sponsored by donations from generous citizens in and around the Ventura/Oxnard area. ***The only cost to you is your valuable time and we guarantee that you will receive critical information to utilize in your industry.*** Your attendance at this event is very important to citizens YOUR communities and employees in your companies.
